Amtrak Accommodations

Experience the journey on a vacation with Amtrak. As the National Railroad of the United States, Amtrak covers train travel across the country.

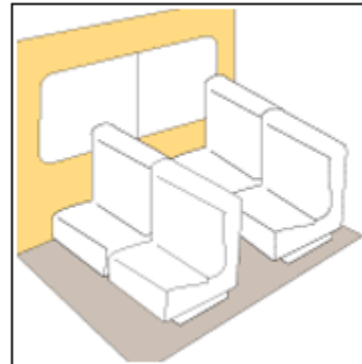

From the Northeast Corridor and its high-speed train, the Acela Express or the long-distance trains such as the Empire Builder or the California Zephyr, Amtrak takes you on weekend getaways or month long journeys around the United States.

On Amtrak its is about the journey, not just the destination.

Reservations are required for coach travel on all trains that operate with overnight service (for both daytime and overnight travel) and on many shorter distance trains as well.
